INSTRUCTIONS:

1. In order to view this augmented reality music video you need to have a Saint Aside CD containing the specific AR-marker, or an exclusive self-printed marker.
2. Turn on your sound and webcam.
3. Wait until the video is entirely loaded and approve the webcam request.
Now you should see yourself.
4. Hold the marker so that it is completely visible and about 12 inches away from your webcam and wait until the video starts.
5. Experience Augmented Reality!
